DoDAAD Tables, Codes, and Rules

DoDAAD Series Table

1. DoDAAC and RIC assignment is based on MILSTRIP Service and Agency (S/A) codes identified in DLM 4000.25-1, MILSTRIP, Appendix 2.2 - Service and Agency Codes; and DLM 4000.25 Volume 2, Appendix 7.2. To provide for expansion for additional agencies that require DoDAACs beyond those identified in MILSTRIP, the DoDAAD Series Table further stratifies S/A codes for use in creating additional DoDAAD Series for Services/Agencies as follows:
